Co-counsel for the Debtors and Debtors
in Possession

GENERAL NOTES REGARDING THE DEBTOR'S
SCHEDULES OF ASSETS AND LIABILITIES

1. The Schedules and Statements have been prepared by the Debtor's Management and are unaudited. While management of the Debtor has made every effort to ensure that the Schedules and Statements are accurate and complete based on information that was available at the time of preparation, the subsequent receipt of information may result in material changes in financial data contained in the Schedules and Statements and inadvertent errors or omissions may exist. To the extent the Debtor discovers additional information that may suggest a material difference, the Debtor will amend the Schedules and Statements to reflect such changes. Accordingly, the Debtor reserves all rights to amend its Schedules and Statements as may be necessary or appropriate.
2. It would be prohibitively expensive and unduly burdensome to obtain current market valuations of the Debtor's property interests. Accordingly, unless otherwise indicated, net book values, rather than current market values, of the Debtor's interests in property are reflected on the Debtor's Schedules.
3. Any failure to designate a claim on the Debtor's Schedules as "disputed," "contingent" or "unliquidated" does not constitute an admission by the Debtor that such amount is not "disputed," "contingent" or "unliquidated." The Debtor reserves the right to dispute, or to assert offsets or defenses to, any claim reflected on its Schedules as to amount, liability or classification or to otherwise subsequently designate any claim as "disputed," "contingent" or "unliquidated."
4. While every effort has been made to file complete and accurate Schedules, inadvertent errors or omissions may exist. The Debtor reserves all rights to amend its Schedules as necessary or appropriate.
5. Unless otherwise indicated, all amounts are listed as of April 2, 2001 (the "Commencement Date"), the date each Debtor commenced its Chapter 11 case (collectively, the "Chapter 11 Cases").
6. The Debtor has been a party to a substantial number of business transactions and relationships since its formation 100 years ago, including, without limitation, acquisitions or divestments of businesses, purchases, sales or leases of real property, joint ventures and partnerships. In connection with those transactions and relationships, the Debtor may have rights under indemnities and other contract provisions. The Debtor has conducted due diligence to identify potential claims which the Debtor may have in connection with such transactions or relationships, but may not be able to identify all such potential claims as of the Commencement

Date. The Debtor reserves all rights to amend this Schedule as may be necessary or appropriate to reflect such claims.

7. In the ordinary course of business, persons, entities or governmental instrumentalities (a) may assert liens against the Debtor, such as tax, water and sewage, mechanics', materialmen's, warehouseman's or carrier's liens, or (b) may assert claims against letters of credit, surety bonds, or guarantees, issued on behalf of the Debtor, such as standby letters of credit and bonds relating to environmental remediation, customs bonds and appeals bonds, as to which the Debtor may have liability. The Debtor has conducted due diligence to identify such liens and claims, but may not have received notice of all such claims as of the Commencement Date and therefore, such liens or claims may not be listed herein. The Debtor reserves all rights to amend its Schedules as may be necessary or appropriate to reflect such claims.
8. The Debtor has made every effort to allocate assets among Debtor subsidiaries and affiliates based on the information and research that was conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of assets among Debtor subsidiaries and affiliates may change.
9. The Debtor has made every effort to allocate liabilities between the prepetition and postpetition periods, as well as among Debtor subsidiaries and affiliates, based on the information and research that was conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between prepetition and postpetition periods between Debtor subsidiaries and affiliates may change.
10. The claims of individual creditors for, among other things, goods, products, services or taxes are listed as the amounts entered on the Debtor's books and records and do not reflect credits or allowances due from such creditors to the Debtor. The Debtor reserves all of its rights respecting such credits and allowances.

In re: W.R. Grace & Co. – Conn. Debtor.

Case No. 01-01140

NOTE 1: The Debtor is a party in many civil actions pending in courts throughout the United States. The Debtor may have claims, including indemnity and contribution claims, against other parties in those civil actions which it has not yet asserted and are not listed herein. The Debtor may also have similar claims against persons or entities which are not currently parties to those civil actions. The Debtor has used reasonable efforts to identify such claims, however, the Debtor reserves all rights to assert such claims in the appropriate forums in the future. The Debtor reserves all rights on behalf of itself and its estate to commence and pursue any and all causes of action or defenses it may possess in the matters listed below and the failure to list any particular action or proceeding herein is not intended to, and does not, limit the rights of the Debtor or its successors or assigns, if any, from pursuing such causes of action, defenses, counterclaims or cross-claims in any such action or proceeding.

NOTE 2: The Debtor is a potentially responsible party with respect to approximately 90 environmental remediation sites and may be named as a potentially responsible party with respect to other sites in the future. The Debtor may have claims, including indemnity and contribution claims, against other parties identified as potentially responsible parties at those remediation sites and against persons or entities not currently so identified. The Debtor has used reasonable efforts to identify such claims, however, the Debtor reserves all rights to amend its Schedules as may be necessary or appropriate to reflect such claims.

NOTE 3: The Debtor has been a party to a substantial number of business transactions and relationships since its formation 100 years ago, including, without limitation, acquisitions or divestments of businesses, purchases, sales or leases of real property, joint ventures and partnerships. In connection with those transactions and relationships, the Debtor may have rights under indemnities and other contract provisions. The Debtor has conducted due diligence to identify potential claims which the Debtor may have in connection with such transactions or relationships, but may not be able to identify all such potential claims as of the Commencement Date. The Debtor reserves all rights to amend this Schedule as may be necessary or appropriate to reflect such claims.

NOTE 4: The list of actions and proceedings herein shall not constitute an admission by any Debtor that the actions or proceedings herein were filed against any particular Debtor and the Debtor reserves its right to assert that neither the Debtor nor any other Debtor in the Chapter 11 Cases is an appropriate party to such actions or proceedings.

SCHEDULE D

CREDITORS HOLDING SECURED CLAIMS

GENERAL NOTES

The Debtors in the Chapter 11 Cases have been a party to a substantial number of business transactions and relationships since the formation of the original W.R. Grace & Co. over 100 years ago, including, without limitation, acquisitions or divestments of businesses, purchases, sales or leases of real property, joint ventures and partnerships. In connection with those transactions and relationships, the Debtor may have rights under indemnities and other contract provisions. The Debtor has conducted due diligence to identify potential claims which the Debtor may have in connection with such transactions or relationships, but may not be able to identify all such potential claims as of the Commencement Date. The Debtor reserves all rights to amend this Schedule as may be necessary or appropriate to reflect such claims.
